- Healing in the Arts

TESTIMONIAL

"I enjoy going to the art classes because they have helped me develop as an individual and have provided me with a means of self expression, thus enabling me to gain a better understanding of myself. I get emotional satisfaction from the artwork because it helps me express my interests, abilities, hopes dreams and fears."

June Williams, YMCA Growing Younger Program

OUR GOALS

- Increase class sessions to 200 in 2012
- Increase number of long term participants
- Expand programming to new populations
